Fairy tales can come true
it can happen to you

if you're young at heart.

For it's hard you will find
to be narrow of mind

if you're young at heart.

You can go to extremes
with impossible schemes

you can laugh when your dreams
fall apart at the seams.

And life gets more exciting
with each passing day

and love is either in your heart
or on its way.

Don't you know that it's worth
every treasure on earth

to be young at heart?

For as rich as you are
it's much better by far

to be young at heart.

And if you should survive
to one-hundred-and-five
look at all you'll derive
out of being alive...

The song leaders not only showed their spirit on the field, but in many other ways. The painting of signs each Wednesday, the delivering of presents, and the decorating of lockers were many of the ways. The song leaders really did promote spirit among the entire school.

Although met with frustrating disappointments, this year's flag twirlers exerted as much spirit as the other units. Often neglected and abused and finally abolished as an active unit, the 1971-72 flag twirlers did a job the student body should be proud of.

Stag Dances

Stag dances were, in the words of one student, "a blast." Learning new dances, group dances, and just "freaking out" were some of the goings on. Bands, including the Cruising for Burgers, were great. Dancing was only one way to enjoy the stag dances.

sweeter. (If ya know what I
mean)

This is not primarily the place where we have to be, it is the place where we are.

This is not our prison but our home. It is the road we must walk and the walking is called life.

Because we will walk it only once, then how important is it that we should walk it with some purpose that we call our own.

Senior Dedication

We, the class of 72, came to Sunny Hills in 1968. Along with us came a very special person. Just as we have grown out of the insecurities of being freshmen, Mr. Brown has grown with us. Those who got to know him gained a rare friend. As we move on we leave this man and encourage those who follow to benefit from all he has to offer. In his honor we dedicate our section.
